Dear Connetquot High School Class of 2020:

“I am only one; but still I am one. I cannot do everything but still I can do something. I will not refuse to do something I can do”. Helen Keller. As “one” your possibilities are endless on what you can achieve. You were provided tools in and out of the classroom to explore, to be curious, to engage, to find that “something” you are great at. It is up to you to build upon that and do something meaningful and rewarding. You have the power to make positive changes and as the Class of 2020 united, you can do everything!

As you approach this next chapter of your lives do it with purpose, style and grace. You have the gift of youth on your side to take chances, learn from your mistakes, and to sculpt the person you want to be. Unfold your dreams and aspirations and make it a reality. Only you have the power to do “something”.

We want to wish you continued success and happiness. Be humble and appreciative and always remember to live in the moment. Be that “something” you were destined to be and as the Class of 2020 we see a future of you can do everything!

Congratulations Class of 2020!
