Memo # 21-049

Dear Connetquot UPK Families,

As part of the district's commitment to increase in-person learning opportunities for students, I'm happy to announce that we will be making a change to our Universal Pre-K program housed at DDI and all SCOPE-run learning sites.

As of March 22, the district will eliminate the hybrid model of learning at these locations and, in turn, provide in-person instruction to our pre-K students five days a week. The program provided to our fully virtual pre-K students will remain unchanged; those students can continue to connect to their classes virtually. Our stringent health and safety protocols will also remain in place to help safeguard our students and staff.

I thank all of our pre-K families for their support throughout this unprecedented year. We look forward to welcoming our students back full-time, and I encourage you to contact my office should you have any questions about this update.

Sincerely,

Dean L. Mittleman
Assistant Superintendent for Curriculum and Instruction
